

Jimmy Z presented his mini-workshop *Turbo Charge Your Sales* to the sales team at our Office on January 15th, 2004.

This was our first experience with Jimmy Z and a very valuable one! The participants were pumped up and looking forward to participating in his upcoming seminar.

Following his mini-workshop, the Broker/Owner offered her support as well in offering incentives to the agent to participate.

Thanks Jimmy! See you in February!

Deb Lawrence
Branch Manager
