Dear Jimmy:

Just a short note to thank you for your stimulating presentation at our business meeting this morning on "How to Stay Enthused & Motivated". I especially enjoyed writing down some of my goals in the various categories of life; i.e., financial, family, spiritual, physical, etc. Your Turbo Charged program sounds like a great way for a new (or seasoned agent) to jump start their career or kick it up a notch.

Sincerely,

A handwritten signature in cursive script that reads "Lee Garafolo - Malizia".
