

Turbo Coaching™ Skill Sessions

With “Jimmy Z”

Turbo Teams™ and The Game of Empowerment™ Workshop

Communication Tools For Optimizing Customer and Colleague Relationships

*This skill session is highly interactive and fun to be part of! The participants work in **Turbo Teams™** to get to know each other better, and are compelled to continue working together to design new ways to empower each others efforts and achievements! It introduces a number of specific communication tools and strategies to optimize customer and colleague relationships. Each participant receives a deck of **Promise Cards™** and are guided through a variety of fun and interactive exercises that add excitement to their roles and goals in life. In addition, a number of other organizational systems and strategies are introduced to engage them in empowering themselves and others to excel, and Enjoy the Journey!*

Out of this Skill Session You Will Learn:

- ◆ **How to use Promise Cards™ to capture and organize key communications** from customers and colleagues. This simple technique prevents communications from slipping through the cracks and falling out.
- ◆ **How to Crystallize your Thinking** and capture your ideas into simple **DotBoards™** and **Promise Cards™** using blank paper & pens.
- ◆ **How to clarify your Roles and your Goals** in your personal and professional life, and set up mentors and coaching to create accountability and organized, effective action.
- ◆ **Hot Tips for Effective Coaching** through your challenges and achievements by setting up partnerships that empower and stretch your comfort zones with effective calls to action and accountabilities!
